

## Instructions for owners of "VISA Purchasing" Cards

### 1) Click on the

symbol next to 98.- USD

### 2) Choose Currency "EURO"

The invoice amount is automatically converted to EURO according the actual daily rate. You can see that the EURO-amount is much lower.

### 3) Choose Card-Logo "Visa Purchasing"

***Background Explanation:***

We received from WorldPay following explanation:

*Using "VISA Purchasing" Card the payment must be submitted in the same currency which is remitted to the vendor.*

As we, Mercury Consulting Ltd., get paid by WorldPay in EURO, the customer must select the currency "EURO".
